DEMONS DIGEST

'COME ALIVE - IN 75!'

This week we travel to Mandurah. I was beginning to think we would never get away from Gwynne Park this year! Last year we had to come to Mandurah to record our first League win. This year we have two wins under our belt, and Doug Alexander has brought an extra bottle of liniment along this year! Win today, and the strains of 'I do like to be beside the seaside' will be heard all the way back to Armadale!

At Gwynne Park last week, the Under 18's recorded a convincing win against Gosnells, with good, solid teamwork. This now gives them two wins from two games. Keep it up lads, you're the future League players in a couple of years.

The Reserves against Thornlie were whipped good and proper. Were it not for the Heron brothers, Perky, the Marshall, and young Brian McGrath, this side would have been made a complete laughing stock. Get with the strength you Reserves, train TWICE a week, and play together as a team. Then, and only then, will you have anything going for you.

What can I say about the League side's match against Thornlie? They didn't just 'come alive,' they were reincarnated. It was all systems go, and 'hunt that Lion!' The Lions were put in the den, and they weren't let out at any stage of the game. Teamwork, backing up, ferocious tackling, and better wet game play gave the Demons the victory they deserved. All twenty players must take credit for this win. However, no one would deny that bit of extra praise for Charlie Tenardi, Johnny 'mac' McHenry, and the rover Kenny, who proved to be a Thorn in Thornlie's side.

Go to it today lads, and makes waves for the Seasiders!

Once again, the support and help for the Demons was excellent, you little Devils! The Ladies continue to provide the best refreshment service in the League, a service that is invaluable to the Club, and for which we offer our sincerest thanks.

Another great service, that is often overlooked, is the work performed by the Junior Football Club's committee and willing workers for the young lads of the area. Better encouragement for the boys from their parents, friends, etc., will give these lads the incentive to play for the senior club when their time comes, instead of drifting away.

Overall, the young Demons have a gold mine of talent for the future. Protect and encourage it now, and in future years to come Armadale will be the envy of every club in the competition.

PEEGEE

SEASIDERS SPOTLIGHT

Mandurah were by no means disgraced when beaten by Maddington, 1974 Premiers, on Sunday last.

The A-Reserve commenced strongly and outplayed their rivals in the first quarter to lead well. At the half-time change Maddington held a three point lead.

The second half saw the taller, more experienced Maddington take control. Full praise to coach Rob Rundell for the way he led his team and to the other seventeen players for a strong determined four quarter effort.

Best players were Mal Hicks, Robbie Clarke, Danny Hillin and Peter Green.

The A Grade again began slowly and by half time Maddington had developed a match-winning margin. The game was hard tackling throughout and kept the large crowd on its toes.

Changes made by Coach Don Rickout at three quarter time saw a much improved last quarter with Mandurah getting to within 3 goals of the opposition.

Four quarters of determined effort should bring about our first double for the year, at home against Armadale today.

Last week's League encounter against Kelmscott was most disappointing and demoralising. Everyone, including players and supporters of Kelmscott, thought Canning would carry on from the first quarter and win their first game.

The League played top class football in the first quarter and lead Kelmscott by over two goals. Everyone played the brand of football expected of them. However, the side collapsed soon after the break and could not cope with Kelmscott's onslaught. We cannot blame the umpire for what each player did caused defeat.

Newcomer Neville Vallacott was Canning's best and seems certain to be a valuable player in future games. Back-line players Peter Forrest and Graham Dugmore fought hard all day as did rovers John Hurley and Lee Williams. Craig Nock showed glimpses of his form from last year.

The Reserves fought hard all day but failed to record the much deserved win. The game boosted team morale and should provide the necessary inspiration to win games. Again John McGurk played excellent football and he should have impressed the League selectors. Mick Worth, Neville Jones and Darrell Fisher also played good wet weather football.

Tony tells me that ticket sales for the Ball are slow, but he assures me that if every player sells as many tickets as possible the Ball will be a great success.

Players and Supporters — Remember Bingo is on every Tuesday and Thursday night at the Queens Park Hall.

Today's game against Gosnells will be Canning's first victory if all players apply themselves to playing football.

HASBEEN

"IN THE LIONS LAIR"

A most disappointing result for the Lions last week when Armadale completely over-run us by adapting themselves much better to the very slippery conditions. Thornlie players seemed to be "all at sea" during the game, by trying to play dry weather footy on a wet day. Peter Gurney was outstanding at full-back and never put a foot wrong all day. Other players who tried to lift the side were F. Seiner, R. Brown, D. Elari, and F. Geers.

The Reserves, however was a different story. The Lions crushed the Demons by 20 goals in a one-sided game. Already the Reserves side is on top of the ladder and with the big win last week should consolidate their position.

Best Players: A great team effort.

Today we meet the "Bulls" at home. This will be a big test for the Lions as Maddington are undefeated to this game. There is no way that the Lions will repeat last week's performance, so watch out "Bulls" the Lions are really going to roar today.

We welcome all players and supporters of Maddington to after game drinks and remind you that tonight there is a late licence.

THE HAWKS WILL STRIVE IN '75

A double last week. The first against Kenwick for five years. Congratulations to the Committee and Players of the Club.

Firstly the Seconds:

A mighty effort when it is remembered that they have not beaten Kenwick for five years. In weather conditions that would have favoured our friend Eddy's English shores, they put up a sustained effort for four quarters.

John Passmore, in all likelihood reliving South's great win of the day before, kicked three quick goals before half time, to enable Gosnells to lead at that point. From then on in Kenwick held a slight advantage, until late in the last quarter when Nello Siragusa kicked an excellent goal to enable Gosnells to hit the front. Sheer determination enabled Gosnells to hold on until the siren.

Best Players: John Passmore, Nello Siragusa, Tim Barker, Kevin Little and Nick Zukowski, (with not a passenger in the side all day).

Fired with enthusiasm generated by the Seconds side, the League side took the field in wet and heavy conditions. After quarter time the match developed into a battle of the backlines with Bruce Dalby reigning supreme. He was ably supported by the rest of the backline.

After half time, with Ted Wilkes and Don Sloper holding sway across the centreline, the side steadied under pressure and were able to stretch their lead to over two goals at three quarter time. Inspired by Coach Dougan's talk, the club ran out comfortable winners in the last quarter. Peter was heard to say after the game that it was the first time the side had put together four quarters of concentrated effort. Let's hope that this trend continues.

Best players: Bruce Dalby, Don Sloper, Ted Wilkes and Len Marsh.

Just a couple of words of warning to both sides, particularly the League side: Lets not get complacent, particularly with today's game. Give respect to the man in white, whether he is right or wrong, because his decision is final. No amount of arguing will reverse the decision!

SOCIAL: CABARET — Gosnells Hotel, Friday 16th May. Start forming a party for a swinging time.

DON'T FORGET the Big Day. 31st May, 1975. Get your tickets from Keith Hayden or Frank. Congratulations to the Club for the excellent show on Friday morning last.

JUNIORS: With the extra teams in this year, let's see if we can give more support to the kids with our presence at their games.

Finally a word of caution to the litterers and consumers of alcohol around the ground. You could be prosecuted.

KALAMUNDA KOUGARS

What a dreary day for the Kougars it was last Sunday. Not only was the weather dismal, but we could only manage four goals out of twenty scoring shots.

The bright spot for the club at the moment would be the consistent form of young and first year players. Garry Ewen, who was playing his first game for the League, turned in a solid performance.

What a great game the Hayes brothers, Phil and Eddie turned in, the ball was their objective at all times.

The Reserves result was a disappointment, for after going to a five goal lead within ten minutes of the second quarter, they completely let the game slip away. It should have been a win chaps. Players rating a mention were Neil Price, Carl Carmody and Les Dobson.

Many thanks to Kwinana for supporting us after the game, we look forward to being Hosts for Kelmscott today — at the Wattle Grove Hall, Welshpool Road.

Tanks also must go to the ladies who conducted our kiosk under such damp conditions last week. Let's hope better facilities are planned for the not so distant future.

ALTERATION OF DATE

TANGLEFOOT

WICK'S WEEKLY

The Royals' winning run was temporarily halted last week when Gosnells defeated us in both games.

The wet weather made the conditions difficult for good football and Gosnells adapted themselves better than did Kenwick. Gosnells all-round physical strength also contributed towards their victory.

Kenwick should have wrapped up the game in the second quarter when they had seventy five per cent of the play but the forwards did not capitalise on the opportunities offered.

Players who put in a solid four-quarter effort were JOHN HART at full back, GREG NARRIER on the half back flank and PAUL ROBERTS on the ball.

The Reserves game was a very close affair with either side having a chance of victory during the final quarter. Gosnells got the breaks at the right time and succeeded in beating the Royals for the first time in several seasons.

Best players in the Reserves game were DARRYL OGG and PHILLIP ELLIOTT on the ball and WAYNE OGG in the forward line.

Today's games against Kwinana should prove very interesting and two wins are a must if we want to be in the firing line at the end of the first round.

Kwinana have had a jinx on us for the past couple of years and a 100 per cent effort will be required by all to put us back on the winning trail.

BULLDOGS BULLETIN

After the Club Function on Saturday to celebrate the opening of the new ground and facilities, good wins were recorded by the League and Reserves with Barry Gibson and Neil Edwards kicking the first goal for their respective sides.

Last week the League side redeemed themselves with a 70 point win against Canning. Players contributing well to this game included Brian Andrijich, a mobile player around the ground, used his weight and positive ball handling to kick four goals. Ray Witt continued his usual good form in the ruck whilst Kim Turner, playing at centre-half-back was a tower of strength and continually provoked attacking moves made by the opposition. Well done League.

Reserves recorded their second win for the season by a margin of 31 points. Outstanding players in this side were Neil Edwards, Marion Slodecki, Dale Mitchell and Neil Renout.

Members and supporters were most concerned when Dale Mitchell received a heavy knock forcing his departure from the field. We all hope nothing serious prevents him from taking his place in the side in our future games.

Junior sides continued with their winning form. 18s, 16s, 14s and 10s and Under all recorded splendid victories.

Well this week we look forward to our games with Kalamunda at Kalamunda thus forcing our way up further into contention as a club not to be taken lightly.

"THE BULLS"

THE KNIGHTS' NOTES

After last Sunday's set of fixtures, we find the Bulls in their rightful position, back on top of the Premiership Table.

The League game against Mandurah was a hard slogging affair.

The small ground and slippery conditions proved difficult for both teams and they found it hard to settle into systematic football.

The first quarter saw Dennis Cometti and Jake Butler continue on in the fine form they showed against Gosnells, with Dennis dominating the aerial duels and winning many kicks around the ground and Jake once again proving a reliable spearhead. The first change saw us turn with a handy 24 point lead.

Early in the second quarter Mandurah added 4 quick goals and it seemed that they may get back in the game, however with some fine work by Eddy Madigan, Rod Mohr and Brian Godridge, we were able to convert defence into attack, with Noel Knight proving a reliable forward.

Dennis Cometti did not return after half time and we saw a few positional changes with Colin Marshall on the ball and Noel Knight to Centre Half Forward. Both players seemed to relish the change, Colin taking charge in the packs and Noel moving slickly and showing excellent judgment to take several high marks and intelligently push the ball out to players running past. The defence work of Rod Mohr, Eddy Madigan and Brian Godridge was first class in this term.

Although Mandurah outscored us in the last term we were able to hold their challenge and run out victors by 37 points.

The Reserves game saw Mandurah bounce out with a quick succession of goals and it seemed that they would record their first victory against us.

However with some fine individual efforts, particularly the defensive work of Gus Reynolds and Alby Plummer, we were able to gradually overhaul their early lead and establish a 52 point margin at the final siren.

Best Players: G. Reynolds, P. Johnson, A. Plummer, W. Pin, R. Atthowe.

This week we travel to the Lions Lair, striving to make it 5 in 75.

LAPLAI

Apologies for the lack of notes in last week's "Gazette." K. A. forgot it was a long weekend and did not have them into the printers in time.

Last Sunday the club achieved a well earned double against Kalamunda in poor weather conditions.

The League game was a very tough one and, although Kwinana finished up comfortable winners, players had to earn every kick. After the game some of the players were discussing Ron DeBoer's habit of smiling during the more hectic sessions of play. They weren't sure whether Ron thoroughly enjoys his work or he is just trying to let the opposition know he is a nice chap and doesn't really mean them any harm.

Bill Hazell had one of his days where the ball followed him around all day like a dog on a leash and he had a bundle of kicks.

Some of Billy Dunne's marking in the conditions was freakish and he was responsible for several valuable goals.

Other players to do well were Alan Dragget, Les Smith, Trevor Read, Dave McGlade and Terry Lloyd. Murray Lloyd was also responsible for several almost impossible goals.

The Reserves side also gained a great win, mainly achieved by a seven-goal second quarter.

Their best players were Drew Proctor, Sandy Muir, Murray Hunter and Ivor Brooker.

Congratulations go to Paul Frost and Mike McKenzie on being chosen in the League side for the first time and to Angus Walley, Rod Tanner and Ian Bosch who played their first game with the club in Reserves.
